

Sri Ram Parivar

In the main Sanctum Santorum is Sri Ram Parivar. Sri Ram is one of the Avatars of Bhagavan Vishnu. Bhagavan Vishnu descends down as Avatar whenever the world is afflicted by unsurmountable demonic forces. King of the demonic forces - Ravana, having a boon from Brahma; unleashes his unchecked demonic powers. All the Deities pray to Bhagavan Vishnu for protection. Vishnu comes down as Sri Ram and with the 'assistance' of His brother Lakshmana and Vanara king Sugreeva, Hanuman and thousands of Vanara soldiers, destroys Ravana and his mighty army of demonic forces. The entire world feels safe afterwards. On the left side of Sri Ram is the idol of Lakshmana. On the right side of Sri Ram is the idol of Sita who is the incarnate of Mahalakshmi, inseparable companion of Bhagavan Vishnu. The idol of Hanuman is on the left side of the three idols.
